

- The Earth Science Institute of Slovak Academy of Sciences Bratislava, Faculty of Natural Sciences of Comenius University in Bratislava and Polish Geological Institute – National Research Institute are pleased to announce the 14th *International Jurassica Conference* held in Bratislava on June 10–14, 2019. The Jurassica Conference will also host *Berriasian Working Group* members and their workshop. The conference is open to anybody interested in Jurassic problematics and follows the meeting previously held in Kościelisko, Zakopane (Poland), 2017. Followig the tradition, it will be specifically open to young researchers and students. We aim to provide a scientifically stimulating and socially enjoyable forum to meet and discuss results from all geoscientific specializations concerning with Jurassic period.
- The meeting will be held in Bratislava, in the conference rooms of the Comenius University`s Science Park. It will consist of three days of technical sessions, followed by a one-day field excursion in Jurassic and Cretaceous units (J/K boundary) of the Western Carpathians. Authors are invited to present their work as oral or poster presentations. Lecture room facilities include the data projector and the poster sessions will take place close to the lecture room. English will be the official language of the meeting. Only abstracts in English, submitted by uploading a word attachment on: www.geo.sav.sk/event/jurassica-14/abstracts by 31st March 2019 will be accepted.
